The Hanover Warriors Spring Youth Football League (and Cheerleading)

was formed in 2013 with the goal of growing and showcasing the Homegrown talent of our Football-Supportive Community of Hanover County to compete against talented youth across the Richmond Metropolitan Area.

Our coaches come from local high schools, middle schools and rec ball programs. Currently, we have over 70 of our former players on local high school teams and more playing at the college level.

The Hanover Warriors would like to invite all new or current football players to play spring football or join our cheerleading program. Whether you live in Hanover County or not we would like you to stay and play for a Hanover County team. We consider ourselves as a feeder program for the fall rec ball teams (mainly Blue Star Cowboys & the Mechanicsville Rebels), our middle schools and eventually our local high schools.

Our goal is to increase participation in football. About 10 years ago the numbers at our Hanover County fall rec ball programs peaked and about 5 years ago the numbers at our local high schools began decreasing as these lower number of players reached high school age. There are many reasons for the decline. Today there are more sports to play, more kids are playing just flag football for a longer period of time, many wait till late in middle school to start playing, safety reasons, and more kids just don't do any sport at all. In addition, parents do not encourage their kids to stick things out, only want to their children to play on a championship team, will not play unless their child is starting, etc. The new way of doing things has not worked out well. Listed below is a chart showing participation at our local high schools, won/lost record and record playing teams outside Hanover County 2014-2019. Hanover County has not fared well-especially when we play teams outside the county. Our players enter high school with little experience, get overwhelmed and quit. Our parents blame the coaches.

The Hanover Warriors would like to help. Please signup for the Hanover Warriors and let us coach your child to prepare for fall rec ball or the next level. If you want to play football don't wait forever, start now and you will be glad you did. The game is safer today than it was 10 years ago. Let's get our high school programs back to where they were.
